

Millennium Care Homes Ltd

Under new legislation that came into force in April 2017, UK employers with more than 250 employees are required to publish their gender pay gap. The below information is a snapshot of our employees' hourly earnings on 1st January 2023 and bonuses paid April 2022-April 2023.

Most of our staff are female, and we are committed to employing with transparency and on merit.

Mean gender pay gap: Males mean hourly rate is 1% lower than females

Median gender pay gap: Males median hourly rate is 1% higher than females

Mean bonus gender pay gap: There is no pay gap for bonuses

Median bonus gender pay gap: There is no pay gap for bonuses

Proportion receiving bonus payment: 100% (all male and all female)

The proportion of women and men at each hourly pay quartile:

Quartile	Male	Female
1 (lowest hourly pay)	16%	84%
2	9%	91%
3	18%	82%
4 (highest hourly pay)	16%	84%

At Millennium Care homes limited, our philosophy is to enhance the quality of life of our residents and staff by combining the very best in physical surroundings with professional and personalised care delivered by a highly trained and committed staff team.

We aim to offer everyone growth and development opportunities in a positive, open, diverse, and inclusive environment. This includes promoting gender equality.
